BUILDERS PROGRAM

MARKETING EDGE

- Offer homeowners the comfort and flexibility that only gas appliances can offer outside of natural gas service areas

COST EFFECTIVE

- Lower cost to operate than electric for many consumers

LOW UP-FRONT COSTS

- Leased tanks available
- First fill discount
- Attractive gas appliance pricing

EASY

- Turnkey installation available — propane tanks, appliances, plumbing, generators and outdoor gas appliances

SAFETY DRIVEN

- Large team of fully-certified propane professionals
- Comprehensive system safety checks
- Active safety training and education programs

ASK ME ABOUT YOUR FLEET OPTIONS

- Propane vehicle conversions
- Fleet card programs
- Onsite gasoline & diesel delivery for jobsites & fleets

INCENTIVE & REBATE EXPERTISE

- Propane Education & Research Council incentives of \$750, \$1000 and \$1500 for builders who build with propane. Up to \$7500 per year.
- We will identify the available incentive programs and handle all applications for the builder or homeowner.

INDUSTRY LEADERS

- Leadership roles on many national, state and local boards and committees serving the propane industry

SERVICE/COMMUNITY FOCUS

- Superior service from a leader in the propane industry offering full service with 24/7 emergency service
- Family owned, locally operated business — you are not just our customers, you are our neighbors
- Strong history of supporting the communities where we operate

MEMBERSHIPS

- Texoma Builder Association
- Texoma Realtor Association
- National Propane Gas Association
- Texas and Oklahoma Propane Gas Associations
- Propane Council of Texas
- Alliance Autogas
- DFW Clean Cities
