McCraw
PROPANE

1. Customer purchase price is \$699.00 plus taxes and payment is due in full at time of purchase. Purchase price excludes venting, universal recess box and installation. \$699.00 purchase price and \$350.00 in McCraw account credits require a 5-year propane purchase agreement with McCraw and penalties for early cancellation apply. The \$350.00 in McCraw installation credits include a \$300.00 account credit towards future propane purchases and a free \$50.00 system safety check after water heater installation is complete. \$300.00 McCraw installation credit is not paid for new construction. Limit one McCraw installation credit per household. 2. \$100 Rinnai manufacturer rebate applies only to tankless water heaters purchased by 12/31/17, installed by 1/15/2018 and rebate form submitted by 1/31/2018. 3. Energy efficiency depends on model selected and efficiency estimates are per Rinnai published specifications. RL75 model offered at \$699 price has a 82% efficiency rating.
